How I wonder what you are... the Sun, our most important star!

There are billions of stars, but only one makes all life on Earth possible. Ascience lesson wrapped in a familiar rhyme, *Twinkle, Twinkle, Daytime Star / Brilla, brilla, estrellita del día* introduces children to the many ways the Sun affects our world.

With glowing illustrations, this story is a cozy way to learn about the one-of-a-kind star that makes everything possible. In this book, the Sun truly shines!

Me pregunto qué serás... el Sol, inuestra estrella más importante!

¿Una lección de ciencia en rima? ISi! Twinkle, Twinkle, Daytime Star / Brilla, brilla, estrellita del día sigue la clásica rima infantil para enseñarles a los niños las muchas formas en las que el Sol afecta a nuestro mundo.

 Con ilustraciones deslumbrantes, este cuento muestra de una forma acogedora cómo esta estrella tan especial lo hace todo posible. En este libro, iel Sol brilla de verdad!
