

# Rhyming Words

**Overview:** The students will be introduced to rhyming words and will learn their importance. They will use their reading and listening skills to find rhyming words in the book *Babies Nurse* and in a worksheet.

**Grade Levels:** Pre-K - 3

**Subjects:** Art  
Language Arts

**Concepts:** Using these words allows for early readers to become more aware of phonemes and provides better tools to handle more advanced reading material.

**Skills:** Reading  
Listening  
Analyzing  
Coloring

**Materials:** *Babies Nurse*  
Rhyming Words worksheet  
provided in this guide.

## Getting Ready

Read *Babies Nurse* to the students emphasizing each rhyming word and pausing briefly to ask students which rhyming words they are noticing. Give the students the Rhyming Words worksheet provided in in this guide.

## Assessment

Have students complete the worksheet provided in this guide. Discuss the rhyming words they noticed, and go over any that they missed.

## Enrichment

More advanced students can be asked to read *Babies Nurse* independently and copy all of the rhyming words found in the book.

# Vocabulary

**Rhyming words:** words that have the same ending sound.

**Phoneme:** one of a small set of speech sounds that are distinguished by the speakers of a particular language. For example, if you say the word “car”, you will hear that there are two sound units, or phonemes, in that word: /k/ /ar/.

For more information about phonemes, and to practice identifying them, visit <http://www.sightwordsgame.com/learning-to-read/phoneme/>
